KEEP AN EYE ON THE WEBSITE: Star Diner and Celebration Corner as well as regular updates.

What you should have seen this week:
Christmas Letter (emailed and on website);
Y1 Bikeability Balance permission slips (sent home with the children);
CHAMPS booking form for January (emailed)

A reminder that school has an official Facebook page which is useful for immediate/reminder information alongside the other channels of communication like the school website and the Chronicle.

We have had a case of head lice reported in school. Please check your child's hair regularly and treat as required. Advice can be sought from the local Pharmacist.

It is really important that if your child has their ears pierced that they are able to remove the earrings themselves and put them back in if required whilst in school. If your child can't do this could you please ensure that earrings are removed at home before they come to school.

We are pleased to announce that we have been granted permission to move forward with the formation of the Greywood Multi School Trust. This is fantastic news and work will begin in the New Year to take this forward. More news when we return in January.

Mrs Livesey will be in school Mon 7th and Tues 8th January 2019

Our Privacy Notice is available on the school's website should anyone wish to refer to it.

Merry Christmas and a Happy New Year

to all our children, parents, grandparents, families and wider community.

Thank you to everyone who has supported Forest School with donations of equipment during this term particularly Mr Gould for the wood. Also to Mrs Pratt for giving up her time to support the group every week. Forest School is a fantastic addition to the school's provision and we couldn't do this without the continued support of everyone..

Best wishes to Mrs Sullivan on her retirement—we all wish her well for the future. Here's to a very long and healthy retirement filled with lots of adventures.

PARKING OUTSIDE SCHOOL

Please park responsibly outside school to ensure the safety of everyone crossing the road. Please don't park opposite school on the pavement/grass verge or on the yellow zig zag lines. Parking in these areas reduces visibility. A reminder that the Chadwick Arms allows parking at drop off and pick up times. Please use this facility to ensure the safety of our children. If people continue to park in the way they do currently, an example of this was pick up after the theatre trip earlier this week, it is only a matter of time before there is an accident. Please be considerate and ensure the safety of everyone. Thank you
