Dear parents/ carers,

Class Dojo

As a school, we are going to be using Class Dojo. It is a simple and free app (available on iOS, Android and online at www.classdojo.com) which allows us to reward your children's effort and enthusiasm in the classroom by allocating 'dojo points'. You are notified when your child receives a dojo point and are able to see what they received it for.

We can also use it to keep in touch with parents via an instant message facility and it allows us to post on our class page to share the things we are up to in class or reminders. We find that this is invaluable in sharing with our parents, the activities and learning that is taking place.

Your child will be bringing home a letter with an individual code on so that you can link up to our Henry Chadwick school page and their classroom. Please download the app and log in to see what your child is up to!

We would like all families to join up and support us. Please feel free to ask any questions if you are unsure or for assistance in getting it up and running!

Thanks for your continued support,

Kind regards
