Dear Parents/Carers

Although it is looking increasingly unlikely that the Government will close schools in the immediate future as part of the 'delay' phase to tackle the Coronavirus, we have put together a plan of how we will support children's learning in the event of a directive to close schools.

Below are the details of how we plan to support your child's continued learning.

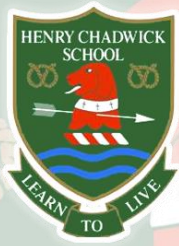

## Years 1 - 6

- Teachers will set 5 English and 5 Maths sessions per week. These will consist of a skills based task with accompanying instructions. The instructions may be in the form of a Power Point.
- Fast Maths sheets will be provided.
- All children will be set a weekly project linked to their current topic.
- Children will each be given a home-learning book which they can work in at home. These are to be returned when the school reopens.
- Children will have the option to return work, as completed, for marking if they wish. **Where possible**, work received by 2pm will be marked and returned on the next school day.
- Work will be sent and received using designated email addresses. These email addresses are over the page.
- Homework will be put on the website as normal.
- Phonics will also be sent home for KS1 pupils.
- You can access TT Rock stars as an additional resources. Please let us know if you do not have the current log-in.
- Other websites that may be useful are:  
<https://www.phonicsplay.co.uk/>  
<https://mathsframe.co.uk/>  
<https://www.topmarks.co.uk/>  
(Hit the button is a great times table game on the above website)
- If you do not have access to a computer or emails, please let us know ASAP so that we can make alternative arrangements for you.

## EYFS

- EYFS staff will send home phonics sheets, a selection of reading books and suggested tasks. These will be updated through the designated email address.
