17th March 2020

Dear Parents/Carers

Covid-19 Update

As we face the ever-changing challenge that the spread of Covid-19 is causing, we as a school are looking at the new information and guidance constantly in order to protect your children as much as possible.

In order to do this, we have made the following decisions:

- We have cancelled the PFA Mothers' Day lunch and we will not be attending the village church service, as a school.
- We have made the decision to cancel the last two swimming lessons for Year 4 and 5.
- Although the Easter-making day will continue in school, we will not be holding a parent assembly followed by tea and cakes.
- We are going to hold class rather than whole school assemblies for the foreseeable future.
- By contrast, unless guidelines change, we have weighed up the risks and decided to continue with the 'Bikability' sessions that are going to be held in school.

Today we have sent home books with all the children should they need to work from home and the email addresses for home working are all set up as explained in last Friday's letter. Can we just clarify that these email addresses are for work only and any additional queries must be through the usual channels i.e. the office email or telephone.

If you have any further concerns or questions please don't hesitate to call and clarify.

We hope that this goes some way to reassure you that school are acting in the most appropriate way considering the latest and constantly changing guidelines.

With kind regards

Vicki Barnes
Headteacher

Every day counts..... Every minute matters.....
