10<sup>th</sup> September 2020

Good Afternoon

Firstly, can I please take this opportunity to thank everyone that has made sure that they have arrived punctually at their allocated timeslots and queued patiently whilst we admit or dismiss children. I know that this is a lengthy process and we really appreciate your patience and understanding.

Everyone seems to be adapting to the 'new' school world really well especially the children, which is really great to see. As we walk around school we are seeing lots of smiley happy faces - especially amongst our youngest children. These children have done especially well as leaving parents at the gate from day one must have been really difficult.

There are a few things that we would like to request from parents to make the start and end of day slightly better.

- Firstly, please arrive at your allocated time unless this has been discussed and agreed with either Mrs Jones or Mrs Barnes beforehand. This just avoids mixing children from different year groups.
- Please don't drop children off before the time slot given in the morning unless this has been agreed prior. We are having a few children arriving at the front door before 8.30 without agreement.
- Please can parents avoid gathering between the gates for a chat as this makes it difficult for staff to dismiss children. If you wish to socialise please can you move across the road or away from the gates to allow the area to stay clear.
- Can parents please ensure that they park safely away from school, especially during the roadworks which are adding extra pressure on School Lane.

Thank you all again for your patience and understanding in current circumstances.

Vicki Barnes and the Henry Chadwick Team
