

Going to school

I have not been

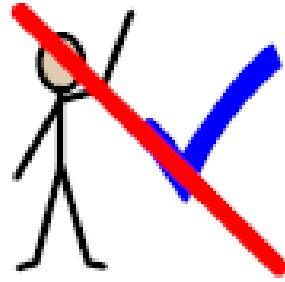

to school for a

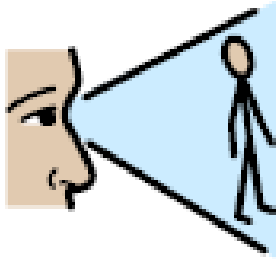

long time.

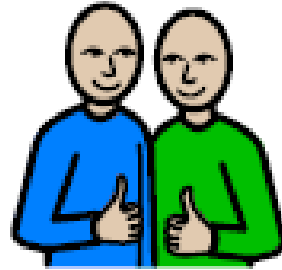

I

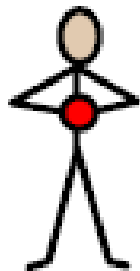

could not

see

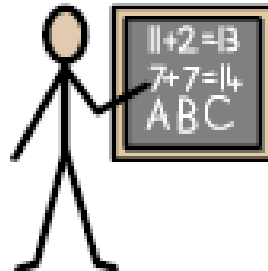

my friends

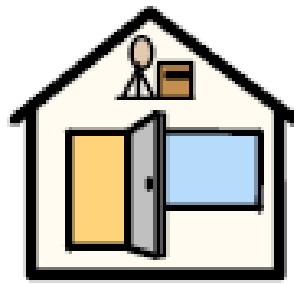

or

my

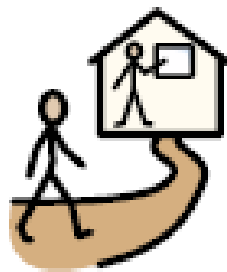

teachers.

School is open!

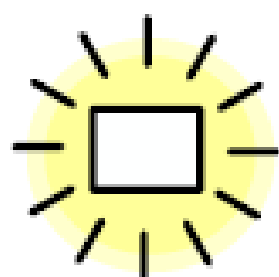

Now I can

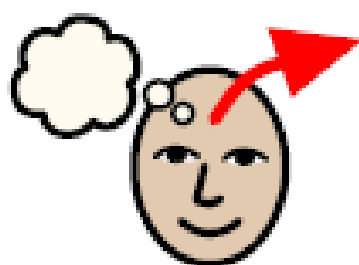

go to school!

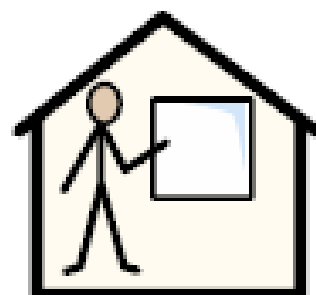

There are some

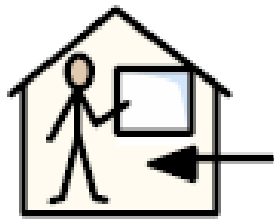

new things to

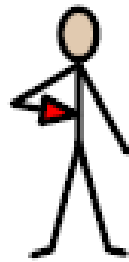

remember at school.

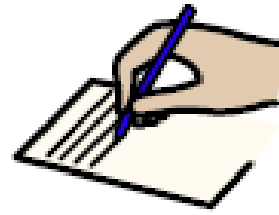

In school

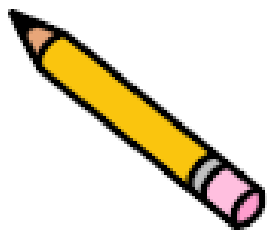

I

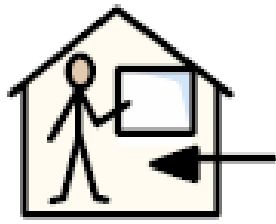

write

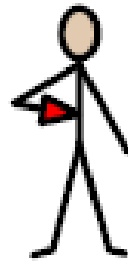

with my own

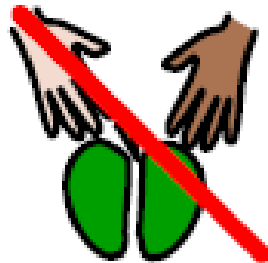

pencils.

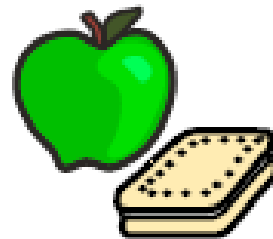

In school

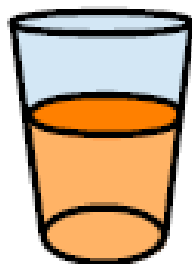

I

do not share

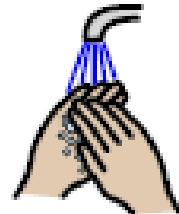

food

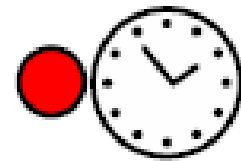

or drinks .

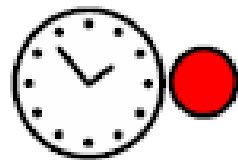

I

wash my hands

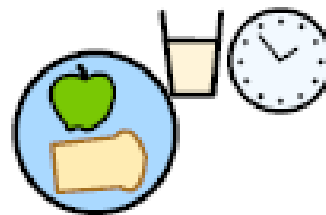

before

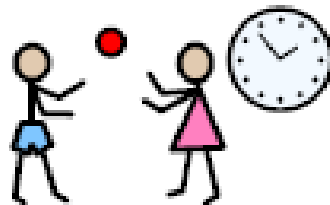

and

after

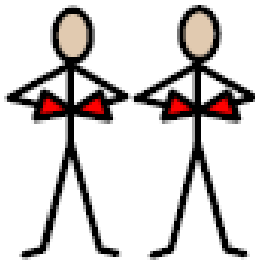

lunchtime

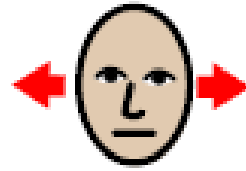

and

playtime.

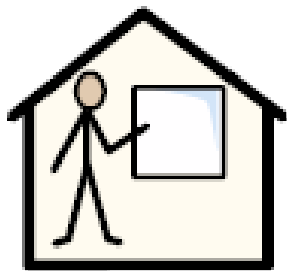

We

do not

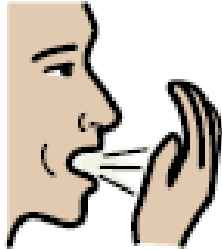

hold hands at

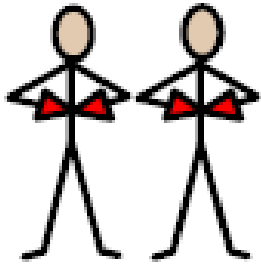

school.

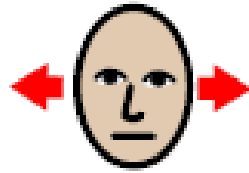

I use a tissue to

cough or sneeze.

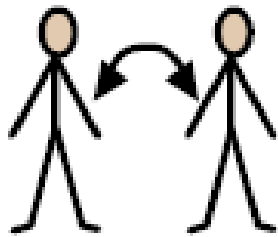

We

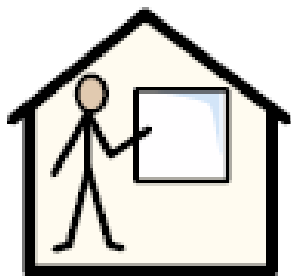

do not

hug

each other at

school.

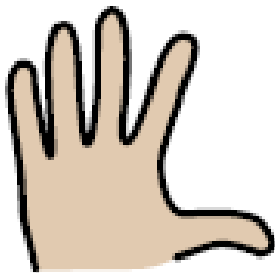

I

rub

my

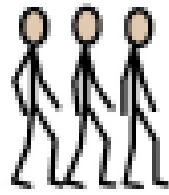

hands

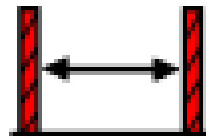

with

handgel

lining up

distance

m

2 meters
