CONTACT INFORMATION

It is really important that contact information is kept up to date in case we need to contact parents/carers in an emergency. Any changes please inform the office.

HEALTH CARE PLANS

If there are any changes to information which we have in relation to Health Care Plans please let the office know as soon as possible. This is really important so that the appropriate care is in place for your child while they are in school.

Can parents/carers please ensure that children are supervised whilst queuing, especially in the staff car park. Please don't allow your child to run in among cars and be mindful that cars may be arriving.
