PE UNIFORM

Blueprint in Rugeley, have tried to source matching PE uniform for school, but unfortunately they are unable to source the same grey for the hoodies and joggers. They are able to provide the green PE tops—cheaper and without the delivery charge, and with the ease of going into the shop to look at the sizing.

For the hoodies and joggers—they will remain available from tailored branding—as below— what we can try and do to reduce the delivery cost for individual families, is to set a date each month for orders to be placed and a member of staff will collect them to bring them back to school for collection. We are exploring this option and will publish details once arrangements have been made.

The PE Uniform range is available to buy online should anyone need replacements:
