Reading

In the bustling halls of high school, Alex's day began with a fumble—lost homework eaten by the family dog, Buster. Then, a dreaded pop quiz in math, where numbers danced tauntingly out of reach. Lunchtime brought a soggy sandwich and a humiliating spill in front of the entire cafeteria. As the bell rang for English, Alex realized the day wasn't done dealing its blows—a ripped backpack strap sent books sprawling across the hallway. With a heavy sigh, Alex trudged home, hoping tomorrow might bring a brighter dawn.

1. What caused Alex's day to start off on the wrong foot?
2. Describe what happened during the math class.
3. What happened to Alex during lunchtime?
4. How did Alex's backpack contribute to their bad day?
5. How do you think Alex felt by the end of the day?
